The mission of WINGS Program, Inc. is to provide housing, integrated services, education and advocacy to end domestic violence.

RITA AND JOHN CANNING

Sweet Home Chicago, WINGS premier fundraiser, has been held every year at the Four Seasons Hotel in Chicago. Starting in 2004 with an idea from long-time supporters Rita and John Canning, the event provides families with a fun and unique way to celebrate the holidays together. Thanks to their efforts, the event has raised nearly 10 million dollars for ongoing services to families residing in WINGS emergency Safe Houses.

With the first priority being health and safety, we are planning an entirely virtual event format this year. The important things will stay the same –

sharing holiday cheer and supporting families impacted by domestic violence, who need help more than ever. But this year, we will be delivering the event to you! Sweet Home Chicago packages will include your favorite festive eats, treats and activities to enjoy at home with family and friends.

By becoming a sponsor for this marvelous event, you will also be supporting the more than 300 adults and children that WINGS is currently serving. The COVID-19 crisis did not stop WINGS from providing support and safety for our community members who need us, in fact, our services were needed more than ever! And we certainly will be sure that this year's Sweet Home Chicago – one of the most important events on WINGS calendar – is a magical experience as always!

We look forward to your support and to being together – *virtually!*
