

Things4WINGS Themes

Having a theme for a WINGS Resale donation drive can be fun. Consider choosing: purses, accessories, clothes, shoes, or jewelry. You can also combine them (Clothes and Shoes Drive), specify by type (Sweater Drive or Children's Clothes), or specify by season (Winter Clothes Drive).

You might even want to make it into an event or party by using one of the themes below:

1. Bag Lady

Invite your friends over and tell them to bring all of their purses, clutches, and/or totes they no longer use to donate to WINGS. The woman with the most bags is declared the bag lady. Have a little prize for her.

2. Afternoon Tea

Invite some friends over and have them bring their slightly used, but no longer needed accessories to donate to WINGS. Items such as jewelry, scarves, hats, etc. are welcome. Have them wear their accessories for tea and then discard them at the door before leaving.

3. Sip and Swap

Tell your friends to bring a bag of clothes they no longer want and have three pieces they want to swap out with someone else while the rest are donated to WINGS. While they are swapping clothes, provide some different wines and cheeses for them to try.

4. Sparkling Brunch

Have your friends join you for a tasty brunch while competing to bring the most jewelry they no longer wear to donate to WINGS. Costume as well as real jewels are welcomed! Don't forget to have a prize for the one with the most Sparkle!

5. Glitz and Glam

Whip up some tasty desserts and have your friends over for a movie night. Tell them to bring their red carpet formal wear, furs, and high-end jewelry they no longer wear (it can only be seen once on the red carpet) to donate to WINGS.

6. Clean out the Man Cave

Have your significant other gather his friends to watch the latest game and ask them to bring the clothes and shoes they no longer wear so you can donate them to WINGS (this will make their significant others happy too).

7. Birthday Party

Add a twist to your child's birthday party by adding a giving component that helps other children. Have the children not only bring a gift for your child, but a bag of clothes and/or toys they no longer use to donate to WINGS.

8. Costume Party

Whether it is Halloween or you just want to get dressed up, invite your friends over for a costume party. Tell them to bring their old unwanted costumes to donate to WINGS. This is a great party for both adults and/or kids!
