21c Museum Hotel Chicago

BLOSSOM
Beautiful. Resilient. Confident. She has blossomed.

SPONSORSHIPS

WINGS is the largest and most successful domestic violence intervention organization in the state of Illinois. We are an award-winning leader and innovator with proven impact, changing hundreds of lives per day and backed by 40 years of expertise.

Domestic violence isn't just physical abuse; it can include physical, emotional, psychological, sexual, and financial abuse, and it affects individuals regardless of age, gender, socioeconomic status, or cultural background.

Your support of BLOSSOM will allow us to provide counseling and legal support services for people in affluent communities who have been affected by domestic violence.
