BREAKING THE CYCLE OF DOMESTIC VIOLENCE

SHINING A LIGHT ON SURVIVORS' SUCCESSES

My name is Tiffany

and this is my WINGS story in the form of a poem:

"In This Darkness Shines My Light"

Tiffany received the David K. Hill Award at WINGS Purple Tie Ball.

"In this darkness shines my light
Sometimes it is dim, sometimes it is bright.

It once flickered steady,
Constant and for love it was always ready.
I was just a child when violence and chaos arrived
But somehow love and light fought to survive.
At some points it almost completely went out.
It was overshadowed by fear, shame, and doubt.

The light started bright, pure, and persistent…
But over time the wind struck so violent,
The pain flamed more imminent
The shots all so consistent
The flame almost non-existent.

Power and control fell off
balance and nearly dominated.
Any attempt to escape or fight
were harshly berated.
My light was low, and it was dying
I wasn't living… it was just surviving.
Pain, suffering, and blame were all that I knew.

**It wasn't until WINGS came
that I got up and grew.**"

From the Desk of Rebecca Darr

Dear WINGS Family,

The headlines can make the world feel like a dark place. But you are helping us shine a light.

Together, we are bringing domestic violence out of the shadows and helping survivors like Tiffany find safety, hope, and strength within themselves to build brighter futures.

Together this year we have:

- **Served more Survivors.**
  This year our Hospital Program and Counseling Services experienced tremendous growth. We saw a 268% increase in the number of service hours provided in our Hospital Program over last year alone, assisting more patients with safety planning and connections to resources.

- **Recognized WINGS Metro Safe House 10th Anniversary.**
  Since opening Valentine's Day 2016, WINGS Metro Safe House has provided over 125,000 nights of shelter to more than 1,700 survivors and their children, changing countless lives along the way.

- **Partnered with Christy Salters Martin to Bring Awareness about Domestic Violence.**
  As the *Christy* movie about the boxing legend's life hit theaters, Christy used her platform to promote WINGS through media segments and special events. The film chronicles Christy's story of survival in the boxing ring and in life as her husband/trainer tried to kill her when she was leaving him.

- **Launched WINGS Men's Alliance**.
  Founders Ambassador Rahm Emanuel and John C. Sciaccotta believe that ending domestic violence requires men to be part of the solution. They launched the Men's Alliance at the Domestic Violence Summit in the fall of 2025 and reinforced the concept at the luncheon in spring 2026. We encourage men to join the Alliance and speak out against domestic violence.

- **Started Serving Survivors in South Florida.**
  We continued to grow our connections in South Florida, and this year served our first client in Florida with our Survivor Fund.

Megan Wiesner Team Member of the Year

Megan was a teenager when her aunt was killed by her abuser. Inspired by her aunt's memory and a commitment to supporting survivors, she joined WINGS as an intern and now serves as Director of Clinical Services.

"To say I am proud of the work I do is an understatement," Megan says. "My goal is to provide trauma-informed care, safety planning and education to clients, staff and interns — **the kind of support I wish my aunt had** the opportunity to have received."

Jewel-Osco Business Partner of the Year

Since 2015, Jewel-Osco has been an exceptional partner to WINGS, providing more than **$52,000 in monetary support** as well as thousands of dollars in donated products and in-kind assistance. Its commitment extends far beyond financial giving. Jewel-Osco has hosted awareness campaigns and fundraisers across its network of more than 170 stores, helped stock WINGS Safe Houses, addressed food insecurity, and provided leadership and guidance through service on the WINGS Board of Directors.

More Than a Phone staff

More Than a Phone Outstanding National Organization

Since WINGS began working with More Than a Phone in 2024, the organization has donated 160 phones with SIM cards, chargers and four months of unlimited call, texts, and 15 GB of data.

For a survivor leaving an abusive situation, a safe phone can provide a private connection to access resources, family, employment, housing, and emergency support, without relying on a phone that may be accessible to the person causing harm.

Moments of Light

Tiffany's Story

"My life changed when I ended up in the hospital with a diagnosis of depression, PTSD, and anxiety.

While there I met a WINGS advocate, and ***I believe she saved my life.***

She helped me create an exit strategy. It was terrifying. I had no job and three children under the age of five.

In the coming months WINGS provided legal advocacy, job assistance, childcare resources, and more.

I will never forget the kindness of WINGS.

My whole life shifted from surviving to living. Now I'm working full-time to provide for my beautiful children who are thriving."

Full Circle

"Six years ago, WINGS helped me sign up for a housing assistance program when I was at the Safe House.

This December I learned that it was finally my turn. I now have the keys to my family's first house.

I surprised my kids with the news, and we had the best Christmas ever!"

Tiffany shared her story on ABC's *Our Chicago*.

Align your Financial & Philanthropic Goals

While Making an Impact and Leaving a Legacy

Donor-Advised Fund (DAF)

A DAF is a charitable giving savings account that you can contribute to anytime while receiving immediate tax deductions. You can then recommend DAF grants to WINGS and support survivors of domestic violence.

Stock and Securities

Donating appreciated assets avoids federal capital gains taxes and provides a federal income tax deduction for the current market value of the gift. In most states, similar benefits apply to state income tax. Importantly, you will be helping to end the cycle of domestic violence.

IRA Qualified Charitable Distributions

For those 70.5 or older, IRA gifts present a powerful way to save while you help change lives. Gifts made from an IRA can help reduce your future tax burden and satisfy the Required Minimum Distribution (RMD) if you are 73 or older.

Cryptocurrency (Crypto)

Skip the capital gains tax and make a larger impact when you donate crypto to WINGS. You may also receive a federal tax deduction against your income for the full value of the gift.

Estate and Legacy Planning

Everyone should have an estate plan to support their future desires and protect what they love. Including WINGS as a beneficiary in your will, trust, and/or non-probate assets, lets you create a legacy that supports our mission (and yours) for future generations.

WINGS Butterfly Club

Monthly support can transform lives. Whether through monetary or non-cash assets, this consistent stream of donations is vital for WINGS services.
